

Lunch, Laugh, and Learn

What is Lunch, Laugh, and Learn (LLL)?

Lunch, Laugh, and Learn is a way for students to explore new technology and develop inquiry skills while having fun at lunch. Learning is a social and emotional process. We hope to engage the whole student in a fun and personal way.

What are the areas or stations in LLL?

Currently, we are focusing on the following areas (* indicates the item is available for free):

- Invention- [Snap Circuits](#) inventor kit, [Makey-Makey](#).
- Stop Motion Video- [Minecraft](#) Characters
- Greenscreen- [Doink](#) iPad App
- Digital Music Creation- [Incredibox](#) and [You.DJ](#) web tools*
- Augmented Reality- [Quiver App](#)* and [Elements 4D App](#)*
- Virtual Reality- [Google Cardboard](#) VR Viewer and App (App is free, viewer is not).
- Robotics and Coding- [Sphero](#) and [Hour of Code](#)*

Where can I find these items for my school/classroom?

There are free options for most of the items and grants such as [Donors Choose](#) or [Johnston County Education Foundation](#) can help you obtain items that you must purchase.

Can you bring Lunch, Laugh, and Learn to my school/classroom?

Sure! We will be happy to bring the show to your school or help you get started within your classroom. Please email the Digital Learning Team (pamelabatchelor@johnston.k12.nc.us or amystanley@johnston.k12.nc.us) to request a visit.
