<b>Services offered during COVID-19 response:</b>	<p><b>COVID-19 testing and cost:</b> All public and commercial health insurance plans are required to cover the <i>entire cost</i> of coronavirus testing and screening. <u>Covered California</u> has opened a new special enrollment period that will last through June for those experiencing job loss or reduced hours due to COVID-19. Medi-Cal full-scope coverage should cover COVID-19 treatment as well.</p> <p>For those with restricted-scope Medi-Cal coverage (likely due to insufficient immigration status for full-scope eligibility), the entire cost of COVID-19 testing and screening will be covered.</p> <p>However, it is still unclear whether restricted-scope Medi-Cal will cover the entire cost of COVID-19 treatment. California has applied to the federal government for an 1135 waiver to ensure that all COVID-19 treatment is deemed emergency services, which is included in restricted-scope coverage. As of March 24, <u>the federal government has approved parts of California's waiver</u> but there is still some uncertainty as to the coverage of treatment for those with restricted-scope Medi-Cal. Because COVID-19 seems to fall within the federal government's definition of emergency medical services (42 U.S.C. § 1396b(v) and 42 C.F.R. § 440.255) and because the</p>

	<p>federal government gives leeway for states to determine what is an emergency medical condition (<a href="#">8 USCIS-PM G.10.B.2</a>), advocates are hopeful that restricted scope Medi-Cal will cover all COVID-19 related treatment as well.</p> <p><b>Public charge:</b> Federal government confirmed that the <u>new public charge rule</u> will not consider treatment and testing for coronavirus (even if Medi-Cal pays for the testing and treatment). The new public charge rule also excludes getting help (for “communicable diseases” like coronavirus testing and treatment) from your local <u>public health agency</u>. County indigent health programs are also excluded. So immigrants should be able to access coronavirus testing and treatment without it impacting their immigration status. For more information, read the California Department of Public Health’s special “<a href="#">Guidance for Immigrant Communities</a>.”</p> <p><b>Health insurance coverage questions:</b> For help with access to healthcare and insurance coverage, Californians can call the Health Consumer Alliance (HCA) at 888-804-3536 for a free, confidential consultation and information. <b>Questions</b>	<p><b>Who can use an eVisit?</b> Anyone 18 years of age and older can receive treatment with an eVisit.</p> <p><b>How much does an eVisit cost?</b> If you have mild respiratory symptoms including flu, hay fever/allergies, COVID-19 (coronavirus), eVisits are free. A Montage Health eVisit for other common symptoms costs \$25, similar to an insurance co-pay. You can pay with a credit card or a health savings account (HSA) card.</p> <p><b>What conditions can be treated with an eVisit?</b> Our clinicians can often diagnose and treat common simple conditions that do not require an in-person physical examination during an eVisit:</p> <ul style="list-style-type: none"><li>● Allergy symptoms including sneezing, runny nose, hay fever or eyes, ears, throat irritation</li><li>● Assorted upper respiration infections, including sinusitis, cold and flu</li><li>● Bladder infections in women (UTIs)</li><li>● Bug bites, including tick bites, and lice</li><li>● Eye infections, such as conjunctivitis (pink eye)</li><li>● Lower back strain</li><li>● Many skin and nail conditions</li><li>● Minor burns</li></ul>

	<ul style="list-style-type: none"> <li>● Minor stomach or bowel problems, nausea, vomiting, diarrhea, heartburn, or acid reflux</li> <li>● Mouth sores, including canker and cold sores</li> <li>● Motion sickness prevention</li> <li>● Sty, bump or bumps on the eyelid</li> <li>● Swimmer's ear</li> <li>● Tobacco use</li> <li>● Vaginal yeast infections</li> </ul> <p><b>How does an eVisit work?</b> Scheduling a Montage Health eVisit is easy. Simply visit <a href="http://evisit.montagehealth.org">evisit.montagehealth.org</a>, click the "Start a Visit" button, then click the "Start Here" button under "New Patient." Next, select your medical group, and fill out a short questionnaire, which takes about 5 minutes. Your answers will be reviewed by a Montage Medical Group or UCM clinician, who will make a diagnosis and create a personalized care plan just for you. If your condition cannot be treated online through an eVisit, your clinician may recommend that you seek in-person care with your primary care provider or a walk-in service such as urgent care.</p> <p><b>Can I receive prescriptions with an eVisit?</b> If your eVisit clinician prescribes a medication, we'll send your prescription to the pharmacy of your choice. We cannot refill prescriptions unrelated to one of the diagnoses above, and we do not prescribe anything controlled, such as narcotics, benzodiazepines.</p> <p><b>Have a question about Montage Health eVisit?</b> <a href="#">View our frequently asked questions</a> (FAQs)</p>

<p><b>Services currently provided during COVID19 responses</b></p> <p><b>(i.e. confirmation of services you are continuing to provide, services that are currently suspended, and changes to existing program(s))</b></p>	<p>ITNMontereyCounty COVID-19 “Shelter in Place” Response Policy</p> <p>As a “Shelter in Place” mandate has been declared for Monterey County to limit the spread of COVID-19.</p> <p>ITNMontereyCounty understands the importance of our services as a lifeline to the community, and we have crafted this policy in an effort to balance the needs of our riders with the safety of the larger community. We recognize that the Centers for Disease Control and Prevention (CDC) classifies some of our riders as a high-risk group, but many ITNMontereyCounty riders require trips that are life-sustaining. To assist in the CDC recommended social distancing efforts ITNMontereyCounty immediately instates the following policies:</p> <ul style="list-style-type: none"> <li>• ITNMontereyCounty will only provide essential rides until further notice. These rides consist of dialysis, cancer treatment, and certain other medical needs. Please contact the office if you are unsure if your medical ride would be considered an essential ride.</li> <li>• ITNMontereyCounty will complete short errands for riders Monday through Friday between 8:00am and 6:00pm to assist them in staying home and maintaining social distancing. Members needing to obtain necessary grocery, pharmacy, and life sustaining essentials should call and arrange credit card payment/pick-up (not payment by cash or check) with the store, allowing ITNMontereyCounty drivers to pick up the items and leave them outside the member’s door. Drivers will not enter a home for any reason. PLEASE DO NOT TIP DRIVER. ITNMontereyCounty’s policies prohibit drivers from accepting tips.</li> <li>• ITNMontereyCounty Management reserves the right to execute discretion and deny rides based upon restrictions issued under Monterey County’s “Shelter in Place” order until further notice.</li> </ul> <p>We understand that the next few weeks will be difficult, and we want to assist while limiting exposure and possible spread of this virus. If you have questions, please call the office number at 831-233-3447. We will be answering calls and questions. If you leave a message, your call will be answered within 24 hours.</p>
