Writing/Editing Guidelines

Ensure reviews are aggregated from all three platforms so we don't miss any items — including property management reviews (e.g. RateMyAgent).

Please do not use reviews from old brand names (from acquired offices). These were included in earlier drafts but have since been removed (e.g. First National, David Deane).

The first two lines of each review card should display: [Role] in [Location]

For Dev

A couple of thoughts:

- For review cards, would it make sense to have:
 - o A title field (e.g. “[Role] in [Suburb]”)
 - o Review content
 - o Platform (Google, RateMyAgent, etc.)
- Could the “[Role] in [Location]” line be editable in the CMS as a single field?

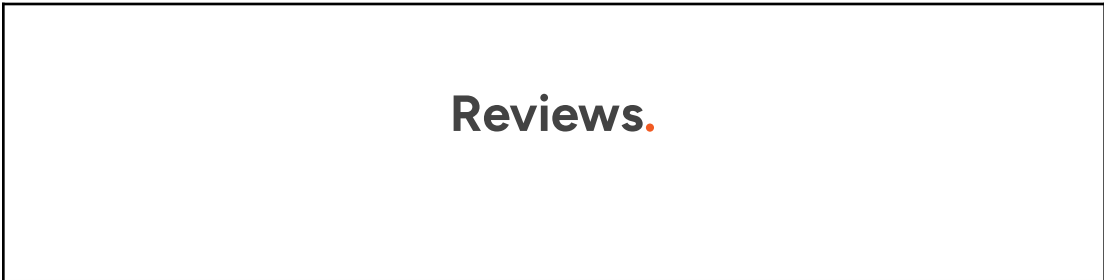

I'm happy to keep it simple and flexible if that's easier on your end. No need to separate the role and suburb into different fields unless there's a reason to.

Review:

Honest, Genuine, Reliable, 10/10 for Michael Hamilton.

Michael was so easy to deal with through the whole journey of selling our house, he made us feel so comfortable and ensured we understood everything that was happening.

Detailed reports kept us in the loop on where potential buyers were at and communication was incredible as Michael was happy to chat at anytime.

Of course the most important factor was that he actually achieved our goal with the sale of our property however on top of that he was very helpful when we were looking at other properties to purchase.

We really felt Michael had our best interests at heart and was never pushy, the sale occurred on our terms so that we could line up the purchase of another property.

We did have other agents give us a valuation on our property and it was clear they were more interested in a quick buck which was why it was so refreshing when we had Michael first come chat.

A big thanks from Kate and I, we look forward to working together in the future.

Sophie is fantastic. She has superb Customer Service. She listens carefully to whatever query or concern one has and "goes out of her way" to provide an answer or to "seek out" any critical information needed. Her manner is friendly and very supportive - particularly if one has a query which is "anxiety-provoking" or distressing. 5 stars to Sophie. She is absolutely a "top employee" and someone to be very much valued as a member of the IMAGE TEAM.

Achieved a higher sale price

S Seller

Thankyou so much for the privilege of working with you on the sale of your two investment properties. It was an absolute pleasure!

The best agents ever ❤️

Maddie and Tatjana are experts in the area and I trust their judgement. Maddie and Tatjana have been sooo helpful to me in the purchase of my first home. They have gone above and beyond for me and made my experience a breeze. Everything was made so simple and it has been lovely working with them and I would love to work with them again in the future. The best agents ever ❤️

Took the Stress Out and Delivered, Mark Is the Best Agent. Mark was recommended to me and I am really glad I got the intro. Partway through selling my mum's place in the gated community at Pacific Haven, Caloundra / Battery Hill, she had a serious stroke and I had to step back from things. Mark took charge straight away and handled everything, including dealing directly with the solicitors & tradies, which took a massive load off my shoulders. He kept me updated the whole way through and still managed to secure a record sale price! The. Best. Agent.

Sam Thompson was fantastic to work with when selling my 97-yr old grandmother's house. He's really down to earth and genuine, and was regularly checking in to make sure my grandmother & the rest of the family were comfortable throughout the whole sales process. He knows the Aroona market well and gave us great advice on what to do to prepare the property

for sale. In the end, he found the perfect buyers at the right price - we couldn't have asked for a better sales agent. Highly recommend Sam!

Duplex rental, Buddina. The entire team at Image Property have demonstrated exceptional professionalism and market knowledge while we listed our duplex in Buddina for rent. The communication, personalised service and strong negotiation skills have resulted in an excellent tenant for our property. We knew little about Sunshine Coast real estate and they have guided us beautifully.

No one better to sell with in Mooloolah Valley. Alex was friendly and approachable from the first conversation and beyond settlement. He has been clear with the entire process, managing expectations and using his local knowledge to ensure we felt at ease through the whole process. We can't recommend him highly enough for anyone looking to sell. He sold our property before it even hit the market he's just that good!

The Best Agent on the Sunshine Coast. Having both bought and sold property over the last 25 years through agents, we would highly recommend Ben as our representative on either side of the property transaction. With Ben's marketing and strategy we achieved a sale price well above our expectations! He went the extra mile to ensure the sale went through smoothly. Nothing was too much trouble. He was punctual in all his dealings with the sale. Ben's experience, knowledge and professionalism are second to none. We trust Ben implicitly and would without hesitation recommend him to anyone seeking an agent

Professional, Efficient and Proactive. We have had excellent service from Stefanie and her team at Image Property Sunshine Coast. From day one, she has been clear and timely with communication, keeping us as landlords reassured. Once the property was between tenants, the team efficiently got the place back on the market and found new tenants in no time. The whole time I was kept informed and felt like the team had it all under control - what a relief! Thanks again Stefanie and team!
