

Lesson 1: Describing Places and Weather

Lesson Goal

- ☐ I can describe my city in simple sentences.
- ☐ I can talk about places in my city (parks, schools, stores, etc.).
- ☐ I can describe what I like about my city.
- ☐ I can talk about the weather in different seasons.
- ☐ I can say what the weather is usually like in my city.

Vocabulary

Please note that, during the lesson, a student may need to learn more words in order to be able to properly communicate. This list was just prepared to give you an idea of where to start.

Questions and Answers to Practise

Students should be able to ask these questions in conversation, as well as be able to respond to such questions. Please do not have your students memorise these questions and answers, instead, it should flow in a regular conversation-like manner. This list was created to give you a **basic** idea of what your student should be able to say. If you feel like there are other things to teach them, you can do that as well.
