

Privacy Policy for Echo Quarry

Effective date: June 18, 2026

Echo Quarry does not require account registration and does not collect personal information directly from players.

What the app stores locally:

- Level progress
- Best scores
- Recent play records
- Daily check-in streak data
- Audio and haptic preferences

This information is stored only on the player's device using local app storage and is not transmitted to our servers.

Echo Quarry does not include:

- User accounts
- Online chat
- Location tracking
- Contact access
- Camera access
- Photo library access

If the app later adds analytics, cloud sync, or other online services, this policy should be updated before release.
