

She's Wooing the Sea Witch - Casting Call

Deadline: CLOSED! Thank you everyone who has auditioned and supported us! 💜💕

Premise: Petra Batumbakal liked many things: collecting rocks, kicking ass—whether at Dance of Death (Yaw-Yan/Sayaw ng Kamatayan) or Dungeons and Dragons—and Jubi Jaziri, the charming, cunning cutie who manages the General Goods store across the street. Normally, Petra would prefer to tackle her problems head-on. Just like any good protagonist, she finds the following obstacles standing in her way:

1. She does not know how to talk to cute girls like Jubi Jaziri.
2. Her older brother, Altan, might be crushing on Jubi.

3. Jubi and Piers, her other older brother, don't get along.
4. Did Petra mention she doesn't know how to talk to cute girls?

When Piers extends an olive branch and offers to invite Jubi to a DnD session, can Petra the Merfolk Paladin smite her way to Jubi's heart? Or is her love destined to turn into sea foam?

(This is a rom-com sapphic prequel/side-story to the visual novel, [He's Dating the DM!?](#). You do not need to play HDTDM to understand SWTSW, but it would be funny.)

[Yuri Jam](#) Period: October 1, 2025 - December 2, 2025

Please note that all positions are **voluntary** and **unpaid**, as this is a free project made with no budget for a game jam. It will have **partial** voice acting, but eventually expand to full voice acting in future updates.

Role

Petra Batumbakal (Main Character)

(Art by @hunibii)

Gender: Trans female (she/her)

Voice: Stoic, soft-spoken, deadpan/matter-of-fact delivery (think Anbi from Zenless Zone Zero and Xavier from Love and Deepspace)

Description: Petra is many things: a martial artist, dice maker, rock collector... and incredibly bisexual. Though socialization isn't her strongest suit, she joined the DnD campaign to make Piers happy and ended up having a fun time. (Sometimes it's easier to talk to people when you aren't yourself.) The youngest sister of the Batumbakal siblings. She rocks.

Lines:

- Use your masculine twink wiles.
- Huh. If Altan really likes her... then may the best woman win.
- People think I'm this tough, badass bitch, and sometimes I think I am. Other times, I... still feel like that shy kid who can barely get a word out. You make me feel strong – but also weak. And that's okay, I think. If it's you.

- Jubi, will you... take this rock and be my girlfriend? I promise to cherish you more than any of my finest gemstones. Because you're the most precious to me.
