

Hello All,

Here is the coaches/captains packet.

Tournament Director

Alyssa, Daniel, and Neve will be our onsite directors for the tournament. Please contact any of them at central if you have any questions during the weekend.

Field Map

Here is the link to the [field map](#). We will be at [Valley Ridge](#) in SeaTac, WA. There will be small sidelines between fields. Please: no gear, players, spectators, or coaches on the sidelines between fields.

Parking

Some of the parking near the facility will be closed for construction. Other options are [SeaTac City Hall](#) and [Chinook Middle School](#). Please be respectful of no parking zones as police will be patrolling the area for vehicles improperly parked and either tow or ticket. Please relay this information to your staff, players, and parents.

Competition

All competition rules are on the [Google Doc](#) and below. We will link the doc to the event page. Please report your scores to Ultimate Central **OR** give them to Alyssa so we can seed the bracket as quickly as possible. Lone Peak (Utah) will NOT be playing in the bracket so D pool finishes will shift around them. Sunday brackets will be posted late Saturday once all scores are posted.

On Sunday, we only have 6 fields to use so the consolation brackets have unique timing of rounds, please double-check when your team is playing.
