

SwiftStudy Privacy Policy

Effective Date: 05-01-2024

SwiftStudy ("we," "us," or "our") is committed to protecting the privacy of our users ("you" or "your"). This Privacy Policy explains what information we collect, how we use it, and under what circumstances we may disclose it.

Information We Collect

We collect the following information when you use SwiftStudy:

- **Device Information:** We may collect non-personally identifiable information about your device, such as your device type, operating system version, and unique device identifier.
- **Usage Data:** We may collect data about your use of the app, such as the duration of your study sessions, the length of your breaks, and the features you use.
- **Optional Information:** You may choose to rate your study sessions and leave notes about them. This information is not mandatory and is entirely at your discretion.

How We Use Your Information

We use the information we collect for the following purposes:

- To operate and improve SwiftStudy: We use your information to operate and improve the app, including troubleshooting and analyzing usage patterns.
- To personalize your experience: We may use your information to personalize your experience with the app, such as remembering your preferences for timer duration and sound effects.
- To send you notifications: We may use your information to send you notifications about your study sessions or to remind you to take a break.
- **[For users who choose to participate in the rewards program]** To provide rewards: We may use your information to track your progress and award you badges, achievements, and other rewards for using the app.
- **[For users who choose to rate their sessions and leave notes]** To understand your learning experience: We may use your ratings and notes to understand how SwiftStudy is helping you learn and to improve the app.exclamation

We will never share your personal information with third parties for marketing purposes.

Security

We take reasonable steps to protect your information from unauthorized access, disclosure, alteration, or destruction. However, no internet or electronic storage system is 100% secure.

Your Choices

You can control the information we collect and how we use it in the following ways:

- You can choose not to rate your study sessions or leave notes.
- You can turn off notifications in your device settings.
- You can delete your app data at any time.

Children's Privacy

SwiftStudy is intended for users of all ages. We do not knowingly collect personal information from children under the age of 13. If you are a parent or guardian and you believe your child has provided us with personal information, please contact us.

Changes to this Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.
