25 February

### NEWS

Dear TCIS Community,

#### Events & Activities: Dr. Seuss Week

Happy Birthday to the beloved author Dr. Seuss! He's books have been a staple for children around the world, so what better way to celebrate than to promote a love of learning. Thank you Mr. Joseph and Ms. Sopa for organizing this fun week.

Next week, we also have our monthly awards ceremony. If your child is receiving an award, you should have received a letter last week letting you know about this accomplishment and inviting you to the ceremony. See you on Tuesday!

#### Teaching and Learning: In the Classroom

In addition to academics, we continued to promote a message of *kindness* this week. We have read books, written reflections, played games and more to help us learn how to be kind to one another and create an even more caring community at TCIS. Ask your child ways they can practice small acts of kindness each day.

#### Campus & Community: Safety

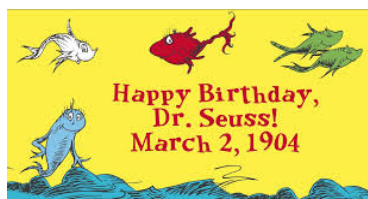

Last week we practiced what to do in the event of a fire or emergency at school. The students practiced exiting the building quickly and quietly in order to keep everyone safe. They did a great job.

#### Summer School

We are now enrolling for Summer School please see [www.tcis.ac.th/summer](http://www.tcis.ac.th/summer) for more information.

Have a great week!  
Dr. Betsy

### ACTIVITIES: CNY 2019

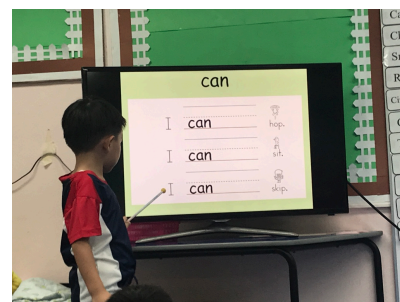

### IN THE CLASSROOM

In ES, the playground is an important extension of the classroom. Students practice the ESLRs they learn while they play. They also develop their imaginations and creativity,

Reading out loud is a great way for students to develop important fluency skills. Have your children read to you whenever you can - it's a joy!

We integrate technology throughout the day to best support student learning. Here students learn sight words while reading as a group.

## FEBRUARY is KINDNESS MONTH

All year, but especially in February, we encourage our students to be kind. This means teaching them to greet others, say thank you and I'm sorry, include everyone and much more. Thank you to our teachers and TAs for decorating the doors to remind us all to be kind.

## STUDENT COUNCIL

Start saving your baht coins! Next month we will be doing a baht drive to help raise money for Imagine Thailand. Please start collecting 1's, 5's and 10 baht coins.

We continue doing our part to help keep TCIS a clean place to play and learn by picking up the trash. Spreading the word of plastic pollution by putting up signs around campus to remind others to **THINK** before the use it.

Please help us by remembering to pick up your trash and say **no to plastic!**
