

Back to School Vaccines

St James High School

Join us in partnership with St. James Public Schools and Watonwan County Public Health as the Mayo Clinic Health System team offers routine vaccines during the Back-to-School event. This event is open to students at St. James Public Schools. Children without insurance can still receive vaccines at little or no cost.

Wednesday, August 27, 4:00 – 8:00 p.m.
St. James High School

Registration: Scan the QR code below, click the registration link to register for this event. Registration is preferred but walk-in may be available. This event has no appointment times; vaccines will be administered upon check-in. There may be wait times based on volume.
