PLEASANT GROVE DOLPHINS
FOOTBALL & CHEER

To Whom It May Concern:

The Pleasant Grove Dolphins Youth Football & Cheer Organization is looking forward to our 24th season of football and cheerleading for the young athletes of Mount Washington, KY. With an exponential increase in our registration numbers since last year, we are seeking your support to help our athletes have a fun and successful season.

In 2021, our Football program had TWO UNDEFEATED CHAMPIONSHIP WINNING age groups! Our 13-0 Peewee (8–9-year-old) team had a scoring record of 366-26! Our 13-0 Junior football team (10–12-year-old) had a scoring record of 501-25!

In 2021, our Dolphin cheerleaders were the FIRST youth league team in Bullitt County to receive a bid to UCA Nationals in 52 years! Our Little Bullitt team also received a bid to Small Gym Nationals and came home as National Champions and GRAND CHAMPIONS!

Again, in the 2022 and 2023 season, all of our competition cheer teams earned bids to return to National competitions. Our Peewee and Junior teams returned to Orlando to compete in the most prestigious cheer competition in the Nation. This is a tradition that we plan to continue each year moving forward. We are very excited about the growth and progress of our athletes and program, as well as the opportunity provided to them to compete alongside other incredible Bullitt County cheer programs such as Bullitt East, Eastside, North Bullitt and Bullitt Central.

Our organization seeks financial assistance and local business advertisement from sponsors annually to support our athletes. The Pleasant Grove Dolphins are a non-profit organization with a 501(c)(3) status that values and promotes excellence in youth sports.

We prioritize teaching and modeling sportsmanship, leadership, discipline, teamwork, and humility. Moreover, we place great importance on providing a safe, family-friendly community atmosphere for our members. Our athletes range from three to fourteen years old, and we strive to instill in them values that will serve them well beyond their time with us.

We would like to express our gratitude, on behalf of our participants and parents, for your consideration in donating to our program. All of the donations that we receive are utilized to purchase equipment and uniforms, as well as to make upgrades to ensure that we comply with safety regulations. Additionally, your contribution enables our organization to provide scholarships to children from families experiencing financial hardship.

Donations should be made payable to the Pleasant Grove Dolphins and forwarded to the below address. As Chairperson, I am available to answer any questions that may arise. I can be reached via email or at (502) 821-9922. On behalf of the entire Dolphins organization, thank you for your time and consideration.

Respectfully,

Taylor Garvin
