

Orlando Email 10/26/22

Hello Orlando Music Families,

Disney Dazzle Thanks!

Thank you so much for your support of our Disney Dazzle Concert. The students and I are so appreciative of your kind efforts from helping out at the concert to contributing to the raffles. Every contribution is so meaningful and appreciated.

I received so many kind words and emails about the concert. I was so happy to see so many grandparents and little ones and of course all the costumes!

October 30th Payment Approaching

This is a reminder that the October 30th payment is approaching. Please remember that from here on out, all checks are made out to "Academic and Performance Travel" and mailed directly with the return portion of the invoice. *If for some reason you did not receive an invoice from Academic and Performance Travel by mail, please let me know and I will reach out to our tour coordinator.*

Holiday Gift Idea

One parent that had a student go on the previous Disney trip had a great tip. If your extended family is like mine, they are often looking for gift ideas. Consider asking extended family to give [Disney](#) or [Universal](#) gift cards this holiday season. It looks like the Disney [gift](#) cards can be used for sit down or quick service dining - a good option for the one daily meal "on the go".
