Topic (match with graphic below)	These are crafted for Twitter. Please modify for Twitter, Facebook, Instagram or LinkedIn
Climate Equity Act	Great op-ed Del @reginatboyce ! "We need ... to protect Md & Marylanders, especially overburdened communities ... disproportionately affected by the negative impacts of harmful facilities & other industrial activities." #ClimateEquity #ClimateSolutionsNow
Public Comment	URGENT: Marylanders, tell us why you think #MDGA needs to take bold climate action & we will submit your comment as public testimony in support of the Climate Solutions Now Act of 2022. #ClimateSolutionsNow @FutureMaryland https://secure.ngpvan.com/VXtn9jld80GR_5EZJzle9w2
Barve	It's time to pass #ClimateSolutionsNow! Thank you to @KumarBarve for your strong leadership and for your commitment to building a better Maryland! https://marylandclimateaction.com/take-action
Tulkin	It will take all of us working together to pass #ClimateSolutionsNow and protect our future! #ElectricVehicles @sierraclubmd @joshtulkin

	https://marylandclimateaction.com/take-action
Robbin Lewis	People of faith are standing up for #ClimateSolutionsNow. It's time for #MDGA to stand up and lead! #ClimateJustice @interfaithpower @IPLdmv @IPC_Chesapeake https://marylandclimateaction.com/take-action
Pinsky	This is the year for Maryland to pass strong legislation that will protect our economy, our health & our planet for future generations. Thank you @PaulPinsky for your tireless leadership! It's time to pass #ClimateSolutionsNow https://marylandclimateaction.com/take-action #CleanEnergy
Youth	Our young people are counting on us to do the right thing and pass #ClimateSolutionsNow! #MDGA this is the year - time is running out. @MaryPIRG https://marylandclimateaction.com/take-action
Staci Hartwell - NAACP	#ClimateSolutionsNow means #EnvironmentalJustice now! Maryland needs to pass strong climate legislation for a fair & equitable future for ALL Marylanders. @naacpmd_ecj https://marylandclimateaction.com/take-action
Victoria - CCAN	It's way past time for our leaders to act - we're counting on you #MDGA to pass strong #ClimateSolutionsNow legislation for a healthier, more equitable and stronger future! @CCAN @CCANActionFund https://marylandclimateaction.com/take-action
Electric homes	Heating our home with oil and cooking with gas is like having an idling car inside the house, filling the air with pollution. Let's build a healthier future with #AllElectric homes https://marylandclimateaction.com/take-action #CleanEnergy #ClimateSolutionsNow
Electric Homes	DYK? Children living in homes with gas stoves are 42 percent more likely to suffer asthma symptoms than those in homes with electric stoves. Let's build a healthier future with #AllElectric homes https://marylandclimateaction.com/take-action #CleanEnergy #ClimateSolutionsNow
Electric homes	Research shows that new all-electric, single-family homes are cheaper to build than new homes that rely on gas, regardless of location. Let's Build a #CleanEnergy Maryland

	https://marylandclimateaction.com/take-action #CleanEnergy #ClimateSolutionsNow
Electric buildings	Over 100 million buildings burn fossil fuels for heating and cooking, contributing 13% of U.S. emissions that cause climate change. Let's Build a #CleanEnergy Maryland https://marylandclimateaction.com/take-action #ClimateSolutionsNow
Electric buildings	Over 100 million buildings burn fossil fuels for heating and cooking, contributing 13% of U.S. emissions that cause climate change. Pollution-free buildings mean healthier lives. #CleanEnergy https://marylandclimateaction.com/take-action
Electric buildings	We can't address #ClimateChange without addressing the sources of GHG emissions. Electric buildings are cheaper and more efficient and just make sense. It's time for a #CleanEnergyMd https://marylandclimateaction.com/take-action
GRID Act	It's time for Maryland to modernize its electricity grid so we can transition to a #CleanEnergyFuture & a safe & healthy world for our children & families. #MDGA must pass the GRID Act. https://youtu.be/OzL7zgBHB48 https://marylandclimateaction.com/take-action
GRID Act	The recently passed federal infrastructure bill gives Maryland \$\$ to upgrade its electric grid - critical for a #CleanEnergyFuture. #MDGA must pass the GRID Act. #ClimateSolutionsNow https://youtu.be/OzL7zgBHB48 https://marylandclimateaction.com/take-action

“The public supports action on climate, and this is the year to do it.

Our package will make Maryland a leader among the states in addressing climate change.”

— Delegate Kumar Barve

Chair, Environment & Transportation Cmte

CLIMATE SOLUTIONS NOW
COALITION

CLIMATE SOLUTIONS NOW
COALITION

“Climate Solutions Now means moving to a cleaner, healthier future for all Marylanders.

Electric vehicles mean less smog harming our children and families. More efficient buildings help save money on utility bills.”

— Josh Tulkin

Sierra Club, MD State Director

CLIMATE SOLUTIONS NOW
COALITION

“ Maryland voters are watching our leaders in Annapolis. 2022 is an election year — the year for legislators to pass a comprehensive package and make Maryland a national leader in fighting climate change.”

— Kim Coble
MDLCV Executive Director

“ Congregations across Maryland are standing up for environmental justice by supporting climate solutions. And now we’re calling on our elected officials to follow our lead.”

— Robin Lewis
Director for Climate Equity,
Interfaith Power & Light

CLIMATE SOLUTIONS **NOW**
COALITION

“Climate change’s devastating impacts are already clear, and **we can’t wait any longer** to move toward a clean energy future.”

— **Senator Paul Pinsky**

Chair, Senate Education, Health &
Environmental Affairs Cmte

“As young people, **we're anxious about tomorrow's future** if we do not act on climate change today.”

— **Sophia D'Alonzo**

MaryPIRG Recruitment &
ConservationProjects Coordinator

CLIMATE SOLUTIONS NOW
COALITION

“Climate Solutions Now Act **works to undo some of the impacts of environmental racism** and it ensures that all future climate legislation addresses inequities.”

— **Staci Hartwell**

Chair, Environmental Climate Justice Committee,
NAACP Maryland State Conference

“Marylanders are already feeling the impacts of our warming planet and **desperately want their leaders to act.**”

— **Victoria Venable**

Maryland Director of CCAN
