

Age requirements for classes as stated in the [Parent Handbook](#).

AGE REQUIREMENTS AND TOILET TRAINING

- Children aged 20 months to 59 months may be enrolled at MDO.
- Children must be 20 months old by September 30th to enroll.
Children remain in the class they are registered in at the start of the year for the duration of the year.
- Do not sign a child up for more than 1 class.
- Children do not switch classes mid-year when there is a birthday. The class assigned is where they remain for the school year.

3's Frogs and Pre-K Classes: Must be fully toilet-trained by September

- *All children in 3's Frogs and Pre-K classes must be toilet trained by September.* This means that each child must be able to use the toilet independently including wiping, management of clothes, and hand washing. Children who depend on disposable training pants are not considered fully toilet trained. Parents of children who have repeated accidents may be called to change their child. Children exhibiting non-toilet-trained behaviors may be requested to switch to the 3's Turtles class or withdraw from the preschool.

3's Turtles Class: Both trained and not fully toilet-trained

This class takes children who are toilet-trained and those who are not yet independent in the bathroom. **If your child will be in our 3's class and is not ready to be independent in the bathroom by September**, please enroll them in the Turtles class, which meets Monday, Tuesday, and Wednesday. *We expect that parents are in the process of teaching their children, but they have not yet mastered toilet training and need more time.*

Tuition rates: *If your child completes toilet training, tuition rates can be adjusted once approved by the director.*
