Public Complete Consideration of Visitor Form to Address School Board

"Public Input" may be given before the regular board meeting of each month from 5:00-5:30 in the HS Community Forum Room.

- *The Public Input session is for community members to express their concerns and ideas. Individuals making comments are required to be residents of our communities and/or have children enrolled in our school district.*
- *Please do not expect any decisions or comments from the board members at this time. Comments may be brought to the full board for consideration if deemed necessary by the School Board Chair.*
- *Individuals requesting to speak at Public Input are required to complete a Visitors Card linked here or available on the back table of the Forum Room. Prior to beginning, speakers are asked to introduce themselves. Each speaker will be allowed to make comments for 3 minutes.*
- *Comments may reference programs – not people. Comments regarding specific individuals will not be permitted*
- *Written comments may also be provided by submitting them to a board member.*
