

Pet Care

The purpose of the network is to connect individuals and communities to the resources they need by providing a centralized resource with recommended servicers in their general area. This network MUST remain a safe place for ALL people to provide and obtain the resources they need to survive. I have one rule... be a good human.

Please consider donating back to the community by contributing 5% of whatever you make through the network to support my work. Donations can be made here:

<https://www.bridgethesplit.com/support-me>

Here is the list. Go forth and treat others well.

If you want to be added to this list, please fill out this [form](#).

****If you have any issues contacting anyone on these lists, please reach out to me directly**
