### Safer Day

On Tuesday, we marked Safer Internet Day 2025. Thank you to the parents, grandparents and governors who attended our coffee afternoon. The Year 6 digital leaders enjoyed sharing their presentations on password protections, spotting scams, phishing and debating smartphone use for 11s. In addition to the coffee afternoon, all year groups participated in learning activities and assemblies see and others from online scams.

### Football

Well done to our girls who delivered an outstanding performance in their first round of the knockout cup, securing a decisive 4-1 victory. They displayed impressive teamwork, skill, and determination and put themselves in a strong position for the next round. Congratulations to the girls on their impressive win and we look forward to seeing them continue their success in the competition!

On Monday, the boys produced an outstanding display to overcome a very strong Suttons team, 3 - 1, in the quarter finals of the league. They played some fantastic football and battled hard and fairly throughout the match. We should find out who we play in the semi finals shortly after half term. Congratulations to the boys!

### **Sports Hall Athletics**

What an amazing experience for the children yesterday at the Sportshall Athletics. All our children performed superbly and demonstrated such determination and teamwork whilst participating in the 12 events.

### **Good to be different Day**

Today we have celebrated our termly 'Good to be Different Day' with a visit from the illustrator Karen George. Karen led a whole school assembly this morning and shared the story, 'You're So Amazing!' which the children thoroughly enjoyed. All classes have taken part in a variety of activities and workshops today focusing on celebrating our differences and what makes us unique.

### **Parking**

We kindly ask for your cooperation in ensuring that all vehicles are parked sensibly and safely when dropping off or picking up children outside the school. Please be mindful of traffic flow and avoid blocking driveways or parking in restricted areas. Our priority is the safety of all children, and your efforts to park in designated spots will help create a safer environment for everyone. Thank you for your understanding and support in making our school a safer place for all.
