

## 22.5. GOOD GROOMING

The dress code promotes an academic atmosphere and a mindset that prepares students for school work. Hence, all students are expected to:

- Follow good grooming and proper hygiene,
- Wear their IDs properly, and
- Dress appropriately following the prescribed dress code<sup>1</sup>.
- Students online are not required to wear the school uniform but are required to follow this dress code.
- Haircut and hairstyle should be neat. When sporting long hair, make sure to keep the hair away from the face with the appropriate hair ties or hair accessories. Your hairstyle or cut should not hamper or distract you and others from doing work, and should keep you safe.
- Using hair dye is not allowed as it harms your hair.
- A natural face is appropriate for school. Wearing make-up on a regular school day is not allowed in school as it is not necessary.
- Accessories must complement the dress code. They should be useful like a wrist watch or prescription eyewear, and should not distract or hinder you or others from accomplishing tasks. Other accessories may not promote simplicity of lifestyle.
