Post 2

In order to make change at the polls this election season, you have to make sure your vote is cast your way. Check that your paper ballot correctly reflects your choices before turning it in! Need help? Ask a poll worker *before* you cast your vote. [#CheckYourBallot](#)

Post 3

You've just reached the finish line and are about to cast your vote. But wait! Does your paper ballot reflect your choices? To make sure it does, double-check your ballot before turning it in. [#CheckYourBallot](#)

Post 4

Before turning in your paper ballot this November, remember to check it to verify all your selections. It's fast, it's easy, and it ensures that your voice is heard the way you intended. Double-check and vote with confidence! [#CheckYourBallot](#)
