

Safety Technical Pre-Approval Form

1. Fill out a separate form for each category/routine. Fully complete the information requested below and return the form via email to wddja.st@gmail.com as a **WORD FILE OR GOOGLE DOC ONLY**.
2. Identify each file, video, photo, or document with your TEAM, CATEGORY, AND SKILL. Remember that costumes and music speed can affect officials' rulings on skills. **ATTACH ALL MEDIA FILES TO COLUMN A. VIDEO FILES MUST BE SUBMITTED VIA AN UNLISTED YOUTUBE LINK.** Please ensure privacy settings are appropriate to avoid a delay in the return of the form.
3. Once you receive a reply, **keep a copy for your files** if the original is not returned. Print this form to give to the Safety-Technical Judges at every competition you attend. This is the **ONLY** way they will know if you have pre-approval. They will be given back to you at the end of each competition. No need to print out a copy for every competition unless you have an updated pre-approval.
4. **Pre-approval forms do not exempt a team from a penalty. A skill or costume may be pre-approved as legal on a video sent in; however, penalties are assigned based on the execution on the day of the performance. A mis execution** of a skill or problem with a costume may result in a penalty. Music edits presented for pre-approval must be the same edit used for performances.
5. **For the competition season**, forms will be returned once a week by Thursday night. Please submit forms to wddja.st@gmail.com by Monday evening and ensure video links are functional, or you may not receive a completed form until the following week.
