1. Quality of the project design and cooperation arrangements (maximum 40 points) Project-level award criterion - The extent to which the applicant organisation describes with clarity the responsibilities, roles and tasks between partners. - The completeness and quality of arrangements for the selection of participants, the support provided to them and the recognition of their mobility period (in particular in the third country not associated to the Programme).			

[2] Due to the requirement to contribute to development assistance, mobilities for short-, first- and second cycle students carried out with countries eligible for official development assistance (ODA) in regions 2-11 are limited to incoming mobility from third countries not associated to the Programme. Outgoing mobility towards these regions is only available for students at doctoral level and for staff. The list of countries for which this requirement applies can be found in the DAC List of Countries receiving Official Development Assistance https://www.oecd.org/dac/financing-sustainable-development/development-finance-standards/DAC-List-ODA-Recipients-for-reporting-2021-flows.pdf

Max 1000 words

"Present the different phases of the mobility project and summarise what partner organisations plan in terms of selection of participants, the support provided to them and the recognition of their mobility period (in particular in the countries of your partner institutions)., and explain how, for the planned mobility project, responsibilities, roles and tasks will be defined in the Inter-institutional Agreement."

NB! This part is composed centrally, however every partner should shortly describe the cooperation arrangements.

2. **Relevance of the strategy** (maximum 40 points) Region-level award criterion
   - The extent to which the planned mobility project is relevant to the internationalisation strategy of the higher education institutions involved.
   - The rational for choosing staff and/ or student mobility and the previous experience of similar projects with higher education institutions/organisations in the partner region.

Max 1500 words

"Explain why the planned mobility project is relevant to the internationalisation strategy of the higher education institutions involved. Present previous experience of similar projects with higher education institutions in the selected regions and countries, if any. Present the proposed type(s) of mobility (studies, traineeship, staff teaching or staff training), the subject areas and other specificities. If diverting, please detail the relevance of your strategy for different partner countries in the same region."

3. **Impact and dissemination** (maximum 20 points) Region-level award criterion
   - The potential impact of the project on participants, beneficiaries, partner organisations, at local, regional and national levels
   - the quality of measures aimed at disseminating the results of the mobility project at faculty and institution levels, and beyond where applicable, in all countries involved

Max 1000 words

"Explain the desired impact of the mobility project on participants, beneficiaries, partner organisations and at local, regional and national levels. Describe the measures, which will be taken to disseminate the results of the mobility project at faculty and institution levels, and beyond where applicable. If diverting, please detail the relevance of your strategy for different partner countries in the same region.."
