

Anpanman English Netflix dub availability per country

September 19th, 2025. That's the day Anpanman's new English dub releases on Netflix. It seemed that it would be just released in the United States, but surprise!! Searching for any of the 10 dubbed movies in "uNoGS" (a Netflix region checker) reveals that it was released in a total of 36 different countries, which is such a pleasant surprise!!

Note: If the movies don't appear despite it's in your country, just change Netflix's language to English. That's why it took me a while to figure out how to make this screenshot to proof they're in Spain!!

The 36 countries are: Argentina, Australia, Belgium, Brazil, Canada, Colombia, Czech Republic, France, Germany, Greece, Hong Kong, Hungary, Iceland, India, Israel, Italy, Japan, Lithuania, Malaysia, Mexico, Netherlands, Philippines, Poland, Portugal, Romania, Singapore, Slovakia, South Africa, South Korea, Spain, Sweden, Switzerland, Thailand, Turkey, United Kingdom and United States!! (and there is a 37th country not mentioned in uNoGS, which is Indonesia!!)

And that's it!! In the USA, you can watch two additional movies with the previous Tubi dub that used to be in the other ten!!

(Mensaje adicional para Latinoamérica: Sé que Tubi en vuestros países tienen un doblaje de Anpanman con Cristina Hernández y Lalo Garza como Anpanman y Baikinman; aún siendo de España, reconozco que estos son de los actores de voz de anime más reconocidos en vuestros doblajes y esperemos que Netflix los vuelva a contratar una vez ellos seguramente hagan un redoblaje)
