EEC2 U2 Talking about Daily Routines

Hi Mark, I'm so happy you came over!

Hi Nicole, how are you doing?

I'm doing well, thank you. And you?

I'm great! Let's sit on the swing and talk. I want to get to know you better.

Okay!

I'm so glad you moved here. So, tell me about yourself—what does a normal day look like for you?

Well, usually my days are very busy with lots of things to do. I wake up at 7:45 because my school doesn't start until 9:00. I go to the bathroom, wash my face, and brush my teeth. I eat breakfast with my family at around 8:15.

We usually have boiled eggs, milk with toast, butter, and jam. We all leave home at 8:40. My parents drive me and my little sister to school, and then they go to work. I eat lunch at the cafeteria at about 12:30.

I leave school at 2:00 p.m. I take the bus and go to the Sports Centre, where I play basketball. Basketball is awesome! I really love basketball. One day I would like to play for my local team.

At about 4:00 p.m. I finally get home. I eat a snack and watch TV. At around 6:00 o'clock I do my homework. I have dinner with my family at around 7:00 p.m.

Talking about Weekends

What do you usually do on your weekends?

Well, I usually play the guitar. My little sister loves to dance to the music. I chat with my friends for a little while, or I play computer games. Then I take a bath. At 10:00 o'clock I turn off the lights and go to bed.

What about the weekends?

On weekends I like going to the movies with my friends, or I go bike riding with my family. We have so much fun together. What about you—what does a normal day look like for you?

My day starts at 7:00 a.m. I go to the bathroom and take a shower. I eat breakfast just with my dad, since my mom leaves home earlier. Then I go to school by bus. I have lunch at 1:00 p.m. at the school cafeteria. After I finish school, I go straight home.

I do my homework at 3:00 p.m. At 5:00 I go to a dance club, where I take dance classes. I really love to dance! I have dinner with my family at around 7:30 p.m., then I help my mom with the dishes. After that, I go to my room and chat online with my friends. Before I go to sleep, I like reading.

What kind of books do you like to read?

I like mysteries, fantasy, and science fiction. I turn off the lights at 10:30.

What do you usually do on weekends?

Well, sometimes we visit my grandparents. Other times we go camping when the weather is warm. I love sleeping in a tent. Don't you?

Yes, I do too! Other weekends we just go shopping. It seems we have a lot in common.

It was so nice talking to you. I have to go now. I am going fishing with my grandpa. Thanks for coming over.

You should come visit us too and meet my little sister. She is very funny.

I would love to, of course. Thanks for inviting me.
