- Click **Join Now**

4. Participate in the Meet session

- **Mute/UnMute**

- Click on the microphone button at the bottom of the screen to **unmute** your microphone until you need to speak to the group (it will turn white).

- **Camera on/off**

- You can also **turn your camera on and off** with the camera icon. Turning your video off helps with bandwidth if you find your connection is choppy.

- **Leave the Meet:**

- The red phone icon is to **leave** the Meet.

- **Chat**

- Click the **Chat** icon (top right - looks like a speech bubble) to open the chat window. This is where you can ask questions and such when you are muted. Resources links might also be shared here.
