Rooted in **deep house, minimal, microhouse and tech house**, OLI LIU builds her sets around groove, tension and flow rather than strict genre boundaries. Her sound is playful yet refined, driven by rolling basslines, hypnotic rhythms, warm textures and unexpected details that gradually reveal themselves on the dancefloor.

Always digging beyond the obvious, she blends timeless records with fresh discoveries, unreleased tracks, exclusive edits and her own mashups. Each set unfolds naturally, creating an atmosphere that feels **intimate, seductive and effortlessly danceable**.
