**Approved w/ stipulations (remove PE 201 and correct title of CDEV 41C)**
  - AUTO Beh Sci CAHS CDEV FASH Fire Sci
  - Labor LERN PE&D PHOT O H TH A
- 2:45-3:30--CSU Area F Ethnic Studies [planning conversation](#) with SLO Team and interested parties
  - An important discussion about the implications and expectations of CSU Area F took place with members of the CC, the SLO Team, and a number of Ethnic Studies faculty. The first wave of submissions, as explained in the link above, will be limited to around 25 courses currently in CCSF GE Area H1. Around 20 colleagues volunteered to participate in a review of those courses to make sure that they meet 3 of the 5 CSU Area F core competencies. This work will happen during break because the GE Breadth Committee will need time to review in January and Rachel will then need time to load information into assist.org as part of the submission due in early February. The second wave of submissions will be more complex due to prefix needs, cross-listing, course modifications, and the preparation of outcomes for mapping in CurriQunet.
- 3:30-3:45--Spring '21 possibilities ([Squad](#) potential and more . . .)
  - Members will be given concrete tasks and materials so that collaboration will be part of the first spring '21 meeting.
- 3:45--Adjourn
