THE MANUAL OF RULES

Rule 1 there are no rules

Rule 2 See Rule 1

We avoid politics but sometimes a politician may show up. Discussions on politics might be taken aside from the group but not necessarily. We just have a lot of things that come up to talk about without getting into politics ---- much. We have NO AGENDA . We endorse no candidates . We just have a good time and learn things. Local things. Sometimes world things.

Some random CRUDDS-- not all CRUDDS are listed. Guests are welcome .. Text and come on.
