

Production Application Process

This spring we will be producing a musical and if you are in the 7th or 8th grade and have taken Theatre Experience (or plan to be enrolled in that course concurrently) you can apply to be in the Production Class.

Auditions for this Spring Production class occurred last fall and this is the second round of auditions where spots are extremely limited. Priority will be given to 8th grade students who are facing their last opportunity to take Production here at First Avenue before they graduate.

You can now apply to be in the Production class for the coming semester.

To apply you must do steps 2 and 3:

- 1) Fill-out and submit the [Production Application Google Form](#). **You will need to create your self-tapes before you fill-out the form because your Google Drive or YouTube links to the self-tapes will need to be inserted into your Google Form.**
- 2) **Self-tape a video of you performing a monologue** (it does not need to be memorized, although you should be able to look up during the reading) one of the monologues in the Google Drive Folder ([also here](#)). You will need to upload your video to a Google Drive Folder or YouTube and then add the link to your video to your [Production Application Google Form](#).
- 3) **Self-tape a video of you performing a song** (it does not need to be memorized, although you should be able to look up during the singing) one of the songs in the Google Drive Folder ([also here](#)). Use the tracks provided **without the Guide Vocals** as background music to your singing. Make sure that I can hear your singing and not just the music. You will need to upload your video to a Google Drive Folder or YouTube and then add the link to your video to your [Production Application Google Form](#).

All tapes will be confidential and will not be used as consideration for your future auditions. [This is how to upload videos to a YouTube personal account](#). You should already know how to upload links to a Google Drive Folder but if you need help come and see me.

You must complete all steps by **the assigned due date**. You will be notified within a couple of weeks as to whether you were selected for your chosen option above.

If you have any questions please see Mr. Johnson in Room 3. Please do not send an email with questions - come and see Mr. Johnson in person.
