| 6-8 Activity | Knowledge Skill Ability Survey |
| Standard | CAREER AWARENESS AND PREPARATION |
| Badge Awarded/ ★ I Statement | <p>Abilities and Aptitudes</p>  <p>★ I have identified careers that match my knowledge, skills, and abilities.</p> |
| Time duration | 60 minutes or more |
| Objective | Recognize the importance of knowledge, skills, and abilities in having a successful career. |
| Overview | In this activity, the student will first select her favorite subjects and explore careers that match those subjects. Then she will select the skills she enjoys or excels in and explore careers that match those skills. Finally, she will choose the thinking abilities that she uses to explore the careers that match those abilities. |
| Key Points | <ul style="list-style-type: none"> ● What you know is a building block for a successful career. ● What you can do is another building block for a successful career. ● How you process information is the final building block. ● All three of these blocks are learned in school! |
| Gathering Your Thoughts Questions | What knowledge, skills and abilities do you have that could help you succeed? What careers could/will you pursue to use these knowledge, skills, and abilities? |
