- Next year:
 - Open it up to more kids (less specific requirements to attend)

Gene Watson Camp:

- Videos on the Region 5 website that are really helpful
 - Let's email out that link to the state
 - It would be cool to do something similar in the state at some point

State Team

- Anything we need to work on here
 - Uniforms set
 - Same rules for qualifying as last year
 - Top 5 all around, and the top kid from the youngest age group
 - Free entry to hot shots camp again next year
- State team camp for state team kids (Region 5 camp)
 - Focused on future stars routines & testing
 - Free of charge for 11 and under
 - Not sure about 12 year olds and older
 - Joe will ask Kevin (region chair)

Judges

- Do we have enough judges this season or do we need to be recruiting more:
 - Always need more - difficult to make 2 meets on the same weekend run
 - Helps keep athletes in the community
- We pay for everyone's first year of judging
 - They shadow judge and get paid \$50 or so to do that
 - They get the experience without all the pressure
 - Then they start getting judging positions
- Let's take a look at the current list of judges
 - Seems like the list may be smaller this year of experienced judges
 - Joe emailed Andy to get that information

Any new rules we need to update things for:

- Code update coming out, and then we will need to send that out

Email to send out:

- Gym to judge push w/judging course date
- State team camp
- Educational resources on Region 5 Website from Gene Watson Camp

Motion to adjourn:

- Kurtis
- Seconded by Nino=
