Damage Repair Shampoo + Conditioner

Product Analysis

The damage repair shampoo and conditioner system is formulated with a targeted blend of hydrolyzed keratin, proteins, and amino acids that work synergistically to restore structural integrity and elasticity to compromised hair fibers. Hydrolyzed keratin effectively penetrates the cortex to replenish lost proteins, reducing breakage and enhancing strength. Amino acids support moisture balance and contribute to improved hair flexibility and resilience. The inclusion of patented RedSnow® Camellia Japonica Extract delivers potent antioxidant and anti-pollution effects, mitigating environmental factors that accelerate hair degradation. This multi-action formulation provides a scientifically grounded approach to repairing, smoothing, and protecting damaged hair, supporting long-term hair health.

Ingredient Super Stars

Hydrolyzed Protein
- Helps heal and repair damaged hair by penetrating the hair shaft
- Improves hair strength, elasticity, and overall resilience

Hydrolyzed Keratin
- Strengthening protein that replenishes hair's natural keratin structure
- Prevents further damage by reinforcing the hair fiber and reducing breakage

Amino Acids
- Support hair health by preventing damage and enhancing structural integrity
- Aid in moisture retention and improve hair flexibility and softness

Camellia Extract RedSnow® *(Jeju Camellia Flower Extract)*
- Patented anti-aging and anti-pollution active from Jeju camellia flower
- Shields hair from environmental stressors and free radical damage
- Enhances hair vitality and resilience over time

Ingredient List (SHAMPOO): Water, Decyl Glucoside, Cocamidopropyl Hydroxysultaine, Sodium C14-16 Olefin Sulfonate, Cocamidopropyl Betaine, Disodium Laureth Sulfosuccinate, Cocamide DEA, Sodium Chloride, Glycerin, Polyquaternium-10, Fragrance, Propanediol, Panthenol, Phenoxyethanol, Butylene Glycol, Citric Acid, Disodium EDTA, Hexadecene, Tetradecene, Ethylhexylglycerin, Polyquaternium-7, Camellia Japonica Flower Extract, Glycine, Argania Spinosa Kernel Oil, Biotin, 1,2-Hexanediol, Serine, Glutamic Acid, Aspartic Acid, Leucine, Alanine, Lysine, Sodium Benzoate, Arginine, Tyrosine, Phenylalanine, Proline, Threonine, Valine, Isoleucine, Hydrolyzed Keratin, Histidine, Cysteine, Methionine, Eclipta Prostrata Extract, Hydrolyzed Soy Protein Extract, Biota Orientalis Leaf Extract, Houttuynia Cordata Extract, Salvia Officinalis (Sage) Leaf Extract, Ocimum Basilicum (Basil) Leaf Extract,

Rosmarinus Officinalis (Rosemary) Leaf Extract, Nelumbo Nucifera Seed Extract, Linum Usitatissimum (Linseed) Seed Extract, Avena Sativa (Oat) Meal Extract, Yeast Ferment Extract

Ingredient List (CONDITIONER): Water, Glycerin, Isopropyl Palmitate, Cetearyl Alcohol, Steartrimonium Chloride, Sorbitol, Polyquaternium-10, Fragrance, Propanediol, Panthenol, Phenoxyethanol, Guar Hydroxypropyltrimonium Chloride, Butylene Glycol, Disodium EDTA, Camellia Japonica Flower Extract, Glycine, Argania Spinosa Kernel Oil, Biotin, 1,2-Hexanediol, Serine, Glutamic Acid, Aspartic Acid, Leucine, Alanine, Lysine, Arginine, Tyrosine, Phenylalanine, Proline, Threonine, Valine, Isoleucine, Hydrolyzed Keratin, Histidine, Cysteine, Methionine, Eclipta Prostrata Extract, Hydrolyzed Soy Protein Extract, Biota Orientalis Leaf Extract, Houttuynia Cordata Extract, Salvia Officinalis (Sage) Leaf Extract, Ocimum Basilicum (Basil) Leaf Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Nelumbo Nucifera Seed Extract, Ethylhexylglycerin, Linum Usitatissimum (Linseed) Seed Extract, Avena Sativa (Oat) Meal Extract, Yeast Ferment Extract

How To Use

Apply the damage repair shampoo to wet hair, massaging gently to cleanse and stimulate the scalp. Rinse thoroughly. Follow with conditioner, applying from mid-length to ends, and leave on for 2–3 minutes to allow reparative ingredients to penetrate. Rinse well. For optimal results, use consistently and pair with complementary treatments as needed.
