Instructions:

1. Fold and burnish card base with bone folder.
2. With the Simply Scored on the 5 ¼ inch side of Summer Splash score the top at ¼, ½, ¾, and 1 inch. Just a little texture on the card front. Adhere to the front of the card.
3. Adhere the ¼ inch piece of dsp about ½ inch up from the bottom of the Summer Splash piece of cardstock.
4. Adhere the 1 ½ squared pieces of dsp to either side of the front of the card. Using a different pattern with the 2-inch square, using dimensionals adhering over corners of the other squares.
5. Stamp the sentiment with the summer splash ink and cut it out with the die. Also cut out the leaves in summer splash cardstock and the flower vines with pretty in pink cardstock.
6. Place two of the longer pretty in pink vines over the left corner of the large square and then the leaves and the smaller flower vines on the right side of the corner. Using dimensionals adhere the sentiment over the middle of the square.
7. Scatter resin dots as you wish.
8. Finish the inside of the card and envelope as desired.
