

## **SAMPLING TERMS:**

**My samples are not royalty free.**

**If you choose to use my samples, you agree to these terms below:**

-Listed in the songwriter and/or producer credits **NOT feature or primary artist**. If you have under 10k monthly listeners you don't need to credit at all. *DM/Email for Q's*

-for artists with 0-100k monthly listeners, I ask for around 25% publishing & distribution on any song independently released through streaming platforms. This is **Negotiable depending on use of sample! (More or less %)** *DM/Email for Q's*

**-Artists with more than 100K monthly listeners, please contact me!**

**-If placed with an artist on a major label, please contact me!** *DM/Email for Q's*

-If the song is just an instrumental and uploaded to streaming services, splits are up for negotiation depending on sample use. (At least 25% but can be changed case by case - could be less or more)

- Any **non-profit** usage of my samples like just uploading to youtube or soundcloud, just credit me

-If sample use is very minimal in the song (not a main component of the song, like a adlib) you can give me 10%. You can contact me to negotiate.

- For beat collabs (posting on beatstars for example) add me to your splits and you can dm me for split % to negotiate.
