

Ready to become a Quizillionaire and explode your list?

From: Kathleen Celmins

If you're anything like me, you can't get enough of taking fun online quizzes. They're entertaining, you learn new things about yourself, and they're totally irresistible!

But did you know quizzes can also be **a secret weapon for your business?**

It's true. With the right quiz strategy, you can rapidly grow your email list with hundreds or thousands of eager new subscribers.

These quiz leads turn into warm prospects who can't wait to hear more from you and buy what you sell.

It's a match made in heaven!

That's why I'm so thrilled to announce the opening of registration for my brand new Quizillionaire Club.

Over the next 6 weeks, I'll be guiding a small group of ambitious biz owners like you to become "Quizillionaires." LIVE.

You'll discover exactly how to create high-converting viral quizzes from scratch, even if you have no quiz experience right now.

Here's a sneak peek at what you'll learn:

- The *most important* part of creating a quiz that attracts the right audience and turns them into eager subscribers who are ready to buy
- How to tap into the psychology of quiz-taking to maximize email subscribers and build your list fast
- Clever traffic generating strategies, so you can turn your quiz into an asset that keeps working for you 24/7 for months and years to come
- The after-quiz offers that boost conversions and get new subscribers buying from you quickly
- Real-life case studies from past Quizillionaire members who generated thousands of leads in just days or weeks!

And so much more...

The Quizillionaire Club kicks off on November 29 and includes 6 weeks of LIVE online training sessions where we'll build your quizzes together step-by-step.

You'll get to tap into my 14+ years of experience running a successful digital marketing business. No stone will be left unturned!

By the end, you'll have everything you need to unleash a flood of new leads and revenue with online quizzes.

Plus, as a member, you'll get:

- Lifetime access to recordings of all training sessions
- My proprietary quiz templates and checklists
- Access to the private Quizillionaire community and weekly Q&A calls with me
- Personalized help as you build and launch your quizzes

If you're ready to 10X your email list and finally get the lead flow you need, the Quizillionaire Club is for you!

Given the level of personal guidance and coaching, I am limiting each cohort to ten members.

The first training will take place live on Zoom starting Tuesday, November 28, at 9AM Pacific/12PM Eastern. Then sessions on the same time and day the following 5 weeks. Plan on each session lasting 1.5 hours since we're going to combine learning and applying in the same session.

If you can't make it to the live trainings, or if you need to step away for any reason, you will get all the recordings + resources from each training, so you can watch it whenever you'd like.

So that's the deal...

Now I haven't told you about the price yet.

But don't worry, that's one of the best benefits...

I'm making this training affordable for everyone.

So instead of charging \$7500...

The price is 5 payments of \$590.

By the end of the six-week program, you will have a mechanism to automatically attract the right kind of leads for your business.

You'll never wonder where your next client will come from. Ever again.

You'll just simply be able to send emails and wait for the money to come in.

Having a high-converting quiz funnel can change your life. It's changed the lives of people who I've helped build these kinds of funnels in the past.

It's helped do things like...

- Add thousands of people to an email list, half of whom book discovery calls in the first week of being on that list
- Create a new revenue stream from scratch that earned \$60,000 in the first two months of the quiz being live on the site
- Grow an email list by 13,600 in four months... people who are very likely to buy existing digital products

The strategy works in any industry that has clients who need to solve a problem.

I'm so excited to teach you the secret sauce in the Quizillionaire Club small group program.

Again, the training will take place starting on Tuesday, November 28, at 9AM Pacific/12PM Eastern.

So if you want to join the party with us...
