Ask About

- * Baby Bumblebee
- * Key words – bring, us, baby, seventeen
- * Number Word – seventeen
- * Predictable Chart – I will bring home a baby...
- * Math – drawing 2D & 3D shapes

What's Next

- * The Dancing Fly
- * Key words – got, into, could, eighteen
- * Number Word – eighteen
- * Predictable Chart – My favorite food is...
- * Math – Tens & Ones
- * Theme - Easter

We sent home a packet that contains skills for the upcoming DIBELS reading and math assessments last week. These are timed tests - one minute each. An information sheet was included that explains each assessment and practice page. I will begin DIBELS testing the week of April 20.

We will be having an Easter egg hunt on Thursday, April 2nd. We would like each child to bring in at least 12 plastic eggs filled with wrapped candy. Please send in the eggs by Wednesday, April 1st. The Easter egg hunt will be worked into our schedule

as the weather and time permits. We will not be having an “Easter party”.

Dates to Remember

March 30 - Shrek Kids at GCHS auditorium

March 31 - March Dojo Reward Day

April 2 - Easter Egg Hunt

April 3-12 - Spring Break (No School)

Week of April 20 - Dibels Math and Reading assessments

Week of May 4 - iReady computer assessments for math and reading

April 17, 24, & May 1- Pre-School registration for 2026-2027 school year.

****Call 270-932-6609 to schedule an appointment.****

April 21 - Art Show at GCPS - 5:00-7:00

April 29 - Fun in the Sun day from GCPS PTO

May 1 - Derby Races

May 7 - Field Day

May 19 - Kindergarten Graduation (Last Day of School) - **10:30** in the gym

All five classes will be graduating at the same time so space will be limited.

Drawing 2D and 3D shapes is an important skill for the last report card. We practiced all next week to master this skill, but please practice at home too.

Make sure to continually review the four coins we learned a few weeks ago – penny, nickel, dime, and quarter. Your child needs to identify and name them for the last report card.

We are sending home a Math Review packet this week. We will complete this worksheet packet together (whole group) next week and the week after spring break to

prepare for the iReady Math test. You can work on this with your child to help them practice and review math skills we have covered this school year.
