Deck 2(Life Cards):48s

Good Event Cards *2 (22 cards)

Trable Event Cards *2 (26 cards)

How to play this game

- Set two decks (Mate and Life)
- Deal three cards from Mate deck
- Draw the card from both decks
 - Mate Deck :Add card to hand
 - Life Deck :Check the card and put it face up
 - Good Event :Select your one card and put the card down
 - Trable Event :Discard cards so that the total is equal to or greater than that card
- Calculate the points and whoever

has the most wins

Metamorphosis

- Stack the cards so that they have all the attributes, and call them "Metamorphosis"
- The value of those cards is doubled.
