This activity night event will be on Thursday, February 23 from 5:30-7:00 p.m. and will cost \$5 per student. This event is open to all 4th-7th grade CMS students and will consist of many fun games and activities (limbo, photo station, coconut bowling, dodgeball, face painting, karaoke, etc.). Save a Heart Campaign

Nearly 1 in 110 babies are born with congenital heart disease, making it the No. 1 birth defect in the country. Its diagnosis requires lifelong care. We have students affected by this disease here in our own Cavalier family. To show our support to these Heart Warriors, **we will be wearing red on Tuesday, February 14 and will be accepting donations** that will be given to the Congenital Heart Center at the University of Michigan Health C.S. Mott Children's Hospital to help fund important research, drive development of new technologies and therapies, and provide social work and support programs for families.

Donations will be accepted Monday, February 6- Tuesday, February 14. For every donation, students will receive a paper heart with their name that will be displayed in the school. For a \$5.00 donation, students will

receive a rubber bracelet. For a \$10.00 donation, students will receive a rubber bracelet and a string backpack. If you would like to learn more, please visit <https://umsaveaheart.med.umich.edu/about>.

"NO PEANUTS PLEASE"

Our amazing student population will include more than one student with a life threatening peanut allergy. We are asking you to start thinking now about snacks and lunch items that you can send to school that do not include peanuts. Attached you will find a PDF with ideas. Our breakfast and lunch menu will be peanut free. Each room in the building will have specific protocols to follow and they may be different. **One way to help is to have your child brush their teeth and wash their hands AFTER they eat breakfast before coming to school.** [No Peanuts Please](#) [Peanut Free Snack Suggestions](#)
