(verse 1)

**C** **G F**  
 You don't bring me flowers  
**C**  
 You don't sing me love songs  
**F C**  
 You hardly talk to me anymore  
**F Dm**  
 When you come thru the door  
**C G**  
 At the end of the day

I remember when

**C G F**  
 You couldn't wait to love me  
**C**  
 Used to hate to leave me  
**F Dm G**  
 Now after lovin' me late at night  
**C F - Dm**  
 When it's good for you  
**G**  
 And you're feelin' alright  
**C Em**  
 Well you just roll over  
**Am Fm**  
 And turn out the light  
**C G C - G - F - G**  
 And you don't bring me flowers anymore

(verse 2)

**C G F**  
 It used to be so natural

**C**  
 To talk about forever  
**F C**  
 But "used to be's" don't count anymore  
**F Dm**  
 They just lay on the floor  
**C G**  
 'Til we sweep them away  
**C G - F**  
 And baby, I remember  
**C**  
 All the things you taught me  
**F**  
 I learned how to laugh  
**Dm G**  
 And I learned how to cry  
**C F**  
 Well I leared how to love  
**Dm G**  
 Even learned how to lie  
**C Em**  
 You'd think I could learn  
**Am Fm**  
 How to tell you goodbye  
**C G C - G - F - G**  
 'Cause you don't bring me flowers anymore

(ending)

**C Em Am Fm**  
 Well you think I could learn How to tell you goodbye  
**C G C G**  
 You don't say you need me. You don't sing me a love song.  
**C F G C**  
 You don't bring me flowers anymore.
