Appendix

Welcome to the W3C {{ group.name }}!

The Working Group does most of its work on

Github, with each of our specifications developed in its own repository

(as listed in

[https://urldefense.com/v3/__https://www.w3.org/PM/Groups/repositories.html?gid=*7B*7B__;JSU!!DZ3fjg!vg_H3cpLB9bgBcY-futIVvtYPW0u5KAHhiljyeE1BYS0unPMKUTeirIWl4WyZ4s\\$group.id }}](https://urldefense.com/v3/__https://www.w3.org/PM/Groups/repositories.html?gid=*7B*7B__;JSU!!DZ3fjg!vg_H3cpLB9bgBcY-futIVvtYPW0u5KAHhiljyeE1BYS0unPMKUTeirIWl4WyZ4s$group.id }})).

If you plan to contribute changes to the specifications by providing pull requests, please link your Github and W3C accounts at:

[https://urldefense.com/v3/__https://www.w3.org/users/myprofile/connectedaccounts__;!!DZ3fjg!vg_H3cpLB9bgBcY-futIVvtYPW0u5KAHhiljyeE1BYS0unPMKUTeirIWvixlvR4\\$](https://urldefense.com/v3/__https://www.w3.org/users/myprofile/connectedaccounts__;!!DZ3fjg!vg_H3cpLB9bgBcY-futIVvtYPW0u5KAHhiljyeE1BYS0unPMKUTeirIWvixlvR4$)

In addition, the Working Group uses its public mailing lists for administrative announcements and coordination on topics which require broader attention:

[https://urldefense.com/v3/__https://lists.w3.org/Archives/Public/public-aria/__;!!DZ3fjg!vg_H3cpLB9bgBcY-futlVvtYPW0u5KAHhiljyeE1BYS0unPMKUTeirlWKwaTGU0\\$](https://urldefense.com/v3/__https://lists.w3.org/Archives/Public/public-aria/__;!!DZ3fjg!vg_H3cpLB9bgBcY-futlVvtYPW0u5KAHhiljyeE1BYS0unPMKUTeirlWKwaTGU0$)

As a participant to the Working Group, you have been automatically subscribed to that mailing list.

The main group meets in video conferences weekly on Thursdays at 1PM Eastern, and the ARIA Practices task force meets at 2PM Eastern on Tuesdays every other week.

You can find more details at

[https://urldefense.com/v3/__https://www.w3.org/WAI/ARIA/communication__;!!DZ3fjg!vg_H3cpLB9bgBcY-futlVvtYPW0u5KAHhiljyeE1BYS0unPMKUTeirlWOx1Z9Ac\\$](https://urldefense.com/v3/__https://www.w3.org/WAI/ARIA/communication__;!!DZ3fjg!vg_H3cpLB9bgBcY-futlVvtYPW0u5KAHhiljyeE1BYS0unPMKUTeirlWOx1Z9Ac$)

The group usually meets face-to-face once or twice a year, but given the current circumstances, it is not clear when we might next meet F2F.

is a complete map of useful resources for new participants in this group.

All participants are required to follow the W3C Code of Ethics and Professional Conduct:

Should you have any question on how to get up to speed with the Working Group, please get in touch with the Staff Contact of the group:
Michael Cooper <cooper@w3.org>

Again, warm welcome to the group and to W3C!
