Britannia Village Pupil premium Strategy Statement 2023 - 2024

This statement details Britannia Village Primary School's use of Pupil Premium (and Recovery Premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our Pupil Premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Britannia Village Primary School
Number of pupils in school	420 + Nursery
Proportion (%) of pupil premium eligible pupils	28%
Academic year/years that our current pupil premium strategy plan covers **(3 year plans are recommended)**	2022 - 2023 to 2024 - 2025
Date this statement was published	12th October 2023
Date on which it will be reviewed	27th June 2024
Statement authorised by	Linda-May Bingham
Pupil premium lead	Roksana Hussain
Governor / Trustee lead	Helen Fernandes

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£170,235
Recovery premium funding allocation this academic year	£17,400
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£187,635

Part A: Pupil premium strategy plan

Statement of intent

The Pupil Premium is additional funding which is allocated to schools based on the number of pupils who have been eligible for free school meals (FSM) at any point over the last six years. The Pupil Premium is aimed at addressing the inequalities which exist between children from disadvantaged backgrounds and their peers. The percentage of our pupils eligible for pupil premium (28.5%) is significantly higher than the national average (22.5%*) for primary schools. The Pupil Premium also provides funding for children who have been looked after continuously for more than six months and the children of service personnel.

Children in receipt of Pupil Premium Funding may face significant barriers to fulfilling their potential. At Britannia Village Primary School we aim to provide the support pupils need to overcome these barriers. We have high aspirations and ambitions for our children and we believe that all learners should be able to reach their full potential. We maintain that children's ability to fulfil their potential should not be determined by their social background, but instead, by the opportunities that are provided for them to develop the essential skills and understanding required to succeed.

We aim to close the gap between disadvantaged pupils and their non-disadvantaged peers so that they have access to a wide range of opportunities after they leave our school. We identify barriers that need to be addressed and the interventions required, whether in large groups, small groups or as individuals, and allocate a budget accordingly. We provide quality teaching and targeted academic support for pupils who are not making the expected progress, as well as addressing non-academic barriers to attainment such as attendance, behaviour, well -being and cultural capital.

In addition, we aim to provide disadvantaged pupils with a variety of exciting learning opportunities within the context of a broad and varied curriculum underpinned by our core values of inclusion, creativity and excellence.

Through our reporting, we demonstrate how and why this funding has been spent. We ensure robust monitoring and evaluation takes place in order to account for the use of the Pupil Premium; this allows us to be confident that pupils are being given opportunities to excel.

*Figures from DfE for 2021-2022

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Significant numbers of pupil premium children have lower attainment and slower progress rates than non disadvantaged children in our school. Significant numbers of pupil premium children have gaps in their knowledge as a result of two national lockdowns.
2	Some pupils have limited oral skills and access to books and also poor expressive language which impact on social skills and writing ability.
3	Some pupils and their families have social and emotional difficulties, including medical and mental health issues and poor living conditions.
4	Pupils often have limited experiences beyond their home life and immediate community (a lack of cultural capital).
5	Pupil Premium children often have lower attendance than the majority of children in our school, meaning that valuable learning opportunities may be lost.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Disadvantaged pupils make at least expected progress from their individual starting points in Reading, Writing and Maths. The gap is narrowed in the progress between attainment of PP and non-PP children.	• Pupils achieve above national average progress scores in KS2 Reading, Writing and Maths
Pupils' oral skills are improved through a focus on oracy in the classroom as well as specific interventions such as Speech Bubbles and this has a positive impact on their writing ability.	• Pupils communicate clearly and confidently and this is reflected in the quality of their writing. • Targeted pupils receive additional high quality speech and language therapy and intervention.
Pupils and families with identified social, emotional or health needs are well supported by school staff so that the needs are alleviated.	• Home School Support/ Safeguarding Officers, SENCo, School Counsellor and Designated Safeguarding Leads identify and support families and

	children and work to alleviate barriers to learning. ● Identified children are invited to nurture groups, sessions with the School Counsellor and individual sessions with other support staff.
Pupils are exposed to a breadth of experiences that enable them to contextualise their learning. Pupils enjoy learning and have access to a stimulating, broad and varied curriculum.	● The curriculum provides pupils with a creative and stimulating education. ● Teachers plan a wide range of visits and experiences to inspire and enhance learning. ● Children are exposed to a wide range of social, cultural, enrichment and sporting experiences within and outside of the school day.
Disadvantaged pupils will meet national expectations for attendance and persistent absence.	● Attendance will be closely monitored by the attendance team and strategies to improve attendance will be implemented. ● Disadvantaged pupils will achieve national averages for attendance for non-disadvantaged pupils (96.0%).

Activity in this academic year 2023 - 2024

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £75,702

Activity	Evidence that supports this approach	Challenge number(s) addressed
High quality teacher-pupil interactions and feedback enhanced through small class sizes	EEF Toolkit - Feedback EEF Toolkit - Collaborative learning approaches EEF Toolkit - Reducing class size “As the size of a class or teaching group gets smaller it is suggested that the range of approaches a teacher can employ and the amount of attention each student will receive will increase, improving outcomes for pupils.”	1
Evidence based teaching schemes of	Phonics approaches have a strong evidence base that indicates a positive impact on the accuracy of word reading	1

work - phonics and maths mastery.	(though not necessarily comprehension), particularly for disadvantaged pupils: Phonics | Toolkit Strand | Education Endowment Foundation | EEF EEF Toolkit - Mastery Learning	
CPD in the use of technology and technological resources focused on supporting high quality teaching and learning, for example, training for all teachers in the use of Google classroom	Training teachers thoroughly in the use of Google for Education ensures that staff understand how to make the most of online tools to support learning in innovative ways. As a result of this, students receive a rich and varied curriculum while also learning digital skills that will support them in an increasingly technological society.	1
All children in school to be provided with opportunities to participate in activities which enhance and broaden the curriculum and their learning experiences. This will be achieved through funding enriching experiences (such as theatre and other educational visits) and after school clubs and subsidised access to the residentials for Year 5 and Year 6 PP children.	Provision of a range of initiatives to extend children's experiences see www.Gov.uk/publications/the-pupilpremium-how-schools-are-spendingthe funding-successfully. EEF Toolkit.	4

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £50,774

Activity	Evidence that supports this approach	Challenge number(s) addressed
Dedicated teacher intervention time within the school day	EEF - Individualised instruction EEF - Small group tuition	1 and 2
Tutoring in Reading and Maths	EEF - Individualised instruction EEF - Small group tuition EEF - Toolkit - One to one tuition	1 and 2
Oral language interventions including	EEF Toolkit - Oral Language interventions	1 and 2

SALT (Speech and Language Therapist)		

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £61,159

Activity	Evidence that supports this approach	Challenge number(s) addressed
- Vulnerable children in school to be offered weekly sessions with the School Counsellor - Safeguarding and Home School Officers to provide support for vulnerable children and their families, including signposting to appropriate provision	EEF Social & Emotional Learning https://sandbox.educationendowmentfoundation.org.uk/educationevidence/teaching-learningtoolkit/social-and-emotional-learning	3
- Attendance Lead to ensure that all parents are made aware of attendance expectations - School attendance team to work in partnership with Attendance Management Service - Increased rewards for good attendance	Deployment of staff to support families to improve attendance and eradicate persistent absenteeism see www.Gov.uk/publications/the-pupilpremium-how-schools-are-spendingthe funding-successfully	5

Total budgeted cost: £187,635

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2022 to 2023 academic year.

KS1 - Pupils in receipt of the PP grant did not achieve as well as their non PP peers although they were in line with the national average for reading.

KS2 - Pupils in receipt of the PP grant achieved in line with the national average and their peers in grammar, punctuation and spelling. In all other subjects they did not achieve as well as their non PP peers.

KS1 Year 2 SATs Data

Britannia Village Primary School (32% disadvantaged, 68% EAL, 13% SEN support)

(Newham LA - 31% Disadvanatged, 69% EAL, 12% SEN support) 16 PP pupils

	Working at expected + (EXS, GDS)				Greater Depth (GDS)			
	BVP 2023		Newham '22	England '22	BVP 2022		Newham '22	England '22
	All	PP	All/PP		All	PP	All/PP	
Reading	69%	63%	70/65	67	30%	13%	21/16	18
