

Privacy Policy - Summify - YouTube Video Summarizer

Last Updated: 24 Nov 2024

1. Introduction

This Privacy Policy explains how the YouTube Video Summarizer Chrome extension ("we", "our", or "the extension") collects, uses, and protects your information when you use our service.

2. Information We Collect

The extension collects and processes the following information:

- YouTube video transcripts from videos you choose to summarize
- Video IDs of the videos you summarize
- Temporary chat history for each video summary session

3. How We Use Your Information

The information we collect is used exclusively for:

- Generating video summaries using AI technology
- Providing interactive chat functionality about the video content
- Storing your summary history for quick access during the same session

4. Data Storage

We use Chrome's local storage to temporarily store video summaries and chat history. This data is stored locally on your device and is automatically cleared when you:

- Navigate to a different video
- Close your browser
- Clear your browser data

5. Third-Party Services

We use the following third-party services:

- Llama3 for generating summaries and processing chat interactions

When using these services, the video transcript data is transmitted securely. Please refer to their respective privacy policies for more information about how they handle data.

6. Data Security

We implement appropriate security measures to protect your information:

- All data transmission is encrypted using HTTPS
- API keys are properly secured and not exposed in the client-side code
- Data is stored locally and not shared with any third parties except for summary generation

7. Your Rights

You have the right to:

- Clear your local storage data at any time through your browser settings
- Choose which videos to summarize
- Disable or uninstall the extension at any time

8. Changes to This Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page and updating the "Last Updated" date.
