About

Surgeon of Death will be a fanzine dedicated to the character Trafalgar D. Water Law from One Piece.

We will offer both a digital and physical zine along with merchandise. After contributors have been compensated with bundles, all profits will go to a charity to be decided.

This zine will be rated **PG-16**. We will allow violence and certain mature themes but **no NSFW**. Shipping content will be implied at most.

We aim to include both artists and writers. We hope to have **20 artists, 5 writers, 5 spot artists and 5 merch artists**. These numbers might change depending on the number of applicants.

FAQ

Q: What is a fanzine?

A: A fanzine is an unofficial publication generally made by non-professionals featuring art, writing and other similar mediums. The themes can be almost anything that its creators enjoy.

Q: Will there be NSFW content?

A: No. This is a PG-16 zine that will accept minors.

Q: Will characters other than Law be included?

A: Yes, but Law will be the main focus of every piece.

Q: Will mods be allowed to contribute?

A: Yes, but it will be optional and they won't take any spots away from regular contributors.

Q: Can I apply for more than one position?

A: Yes, but you will only be accepted for one.

Q: Who is allowed to apply?

A: Anyone who is at least 16 years old and follows the guidelines.

Q: Will follower count matter in application?

A: Absolutely not. We believe that follower count doesn't reflect skill and are fully open to include smaller creators.

Q: Do I need previous zine experience?

A: Absolutely not. We welcome anyone no matter how much experience they have. We also encourage you to ask any questions you may have to the mod team.
