The abstract of International Conference on Informatics, Technology and Engineering 2019 (InCITE 2019) should contain maximum of 200 words. It should be in single column using the Times New Roman 10. The proposed abstracts should include a brief introduction and objective of the work, the problem it is attempting to solve, the approach applied to resolve the problems, followed by conclusions. Manuscripts offered should make a timely contribution to the state-of-art or be comprehensive review. The proposed abstract and paper shall not have been published elsewhere and, if accepted, contributors will not release them for publication through other media.

Keywords: *maximum of 5 keywords should be included here*
