

GRAPHIC DESIGNER INTERN

About

SAINA is offering a 2-month, hands-on graphic design internship for aspiring creatives looking to gain real-world experience in branding, social media, and visual storytelling. This is a training-based internship, ideal for students or fresh graduates who want to build their portfolio and grow under mentorship.

What You'll Do

- Assist in designing marketing creatives, posters, and social media graphics
- Support branding and identity design projects for live clients
- Learn the process of visual storytelling and layout design
- Collaborate with our content and creative teams
- Receive guidance on design tools, principles, and project workflows

What We're Looking For

- Background in Graphic Design, Visual Communication, or Multimedia
- Familiarity and knowledge in Adobe creative suite.
- Creative mindset with a good eye for color, typography, and composition

- Basic understanding of branding, social media layouts, and digital assets
- Enthusiastic, punctual, and open to feedback

Benefits of This Internship

- Completion Certificate.
- Portfolio-worthy project experience.
- One-on-one mentorship with creative leads.
- If potential , Opportunity to be considered for full-time roles post internship.
- stipend will be provided.

Please note:

Must have own laptop

This is an internship designed for educational and professional development. You will receive certification and mentorship as part of this training program.
