Review of last year's spend and key achievements (2023/24)

Activity/Action	Impact	Comments
School Games 'Gold' award achieved at the end of 2023/24	This recognises the amount of sporting opportunities afforded to all pupils in school, including the range of extra curricular clubs that ran alongside in school sporting activities. 100% of pupils were involved in sporting opportunities over the year.	This is the first year that we have been awarded this.
Coaching cover to allow children across the school to attend competitions as organised by the school sports partnership and local leagues. U11 boys and girls football leagues & cups. U10 & U9 football cups. Mini bus available for transport.	Competition is an important element of sport. Children must be allowed and encouraged to participate in competition. A range of pupils, boys and girls, were given the opportunity to compete at a high standard.	This was the first year we have participated in competitive sports against local schools. We are signed up for the next season.

Key priorities and planning (2024/25)

What are we planning to do?	Who does this impact?	Target indicator	What is the impact, and how will it be sustainable?	Costs linked to action
Installation of a temporary pool with a qualified lifeguard and instructor.	Daily swimming lessons will be offered to all pupils Y3, 4, 5 & 6.	An increase in the percentage of pupils able to confidently swim 25m.	A greater percentage of pupils across the school will be able to swim, enabling us to aim for 100% by the end of year 6 for all pupils. A two year cycle of the pool will show a reduction in costs compared to paying a local pool.	£5000 - pool rental for 4 weeks, to include a qualified lifeguard and instructor.
Provide more	All pupils and staff.	An increase in pupil	Providing	£13,820 - Central

Swimming data

Question	Statistics	Local context and challenges
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	75%	Children are given swimming lessons for 10 weeks in year 3 & 4.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	75%	Children are given swimming lessons for 10 weeks in year 3 & 4.
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	75%	Children are given swimming lessons for 10 weeks in year 3 & 4. Self-rescue techniques are taught in these lessons.
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes	Pupils who have not learned to swim by the end of year 4 were given top up lessons in year 5.
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No	Swimming is taught by instructors so there is no need for staff CPD currently.
