

The board supports the use of recording devices on district property as a means to monitor and maintain a safe environment for students and employees. District property includes district-owned land, buildings, vehicles, buses and any other property as needed. The contents of the recordings may be used as evidence in a student or employee disciplinary proceeding.

Student Records

The content of the recordings may be a student record subject to federal and state law, board policy and administrative regulations regarding confidential student records. Generally, surveillance video that does not capture any specific incident is not a student record or personnel record and may be disclosed as a public record upon request. Only those persons with a legal basis or legitimate educational purpose may view the recordings. In most instances, individuals with a legitimate educational purpose may be the superintendent, building principal, classroom teacher, transportation director, bus driver, HR director and special education staffing team. A parent may inspect, review or be informed of the content of the recording without consent from any student or parent of a minor student also shown in the recording, whether the student is a bystander to an incident or directly involved. The district may, but is not obligated by law to provide a copy of a recording to a parent or student upon request.

A recording during a school-sponsored trip, such as an athletic event, may also be accessible to the sponsor or coach of the activity. If the content of the recording becomes the subject of a student disciplinary proceeding, it will be treated like other evidence in the proceeding.

Notice

The school district will annually provide the following notice to students, employees, and parents:

The content of the recordings may be considered confidential student records and will be retained with other student records. Recordings will only be retained if necessary for use in a student or employee disciplinary proceeding or other matter as determined necessary by the administration. Parents may request to view the recording of their child.

The following notice will also be placed on all school buses equipped with recording devices:
