

LISTEN BEFORE I GO - BILLIE EILISH ([SONG](#))

[Verse 1]

Take me to the rooftop
I wanna see the world when I stop breathing, turning blue
Tell me "love is endless", don't be so pretentious
Leave me like you do (like you do)

[Pre-Chorus]

If you need me, wanna see me
Better hurry 'cause I'm leaving soon

[Chorus]

Sorry can't save me now
Sorry I don't know how
Sorry there's no way out (sorry)
But down
Mm, down

[Verse 2]

Taste me, the salty tears on my cheek
That's what a year long headache does to you
I'm not okay, I feel so scattered
Don't say I'm all that matters
Leave me, déjà vu (hm)

[Pre-Chorus]

If you need me, wanna see me
You better hurry, I'm leavin' soon (hmm, mm)

[Chorus]

Sorry can't save me now (sorry)
Sorry I don't know how (sorry)
Sorry there's no way out (sorry)
But down
Mm, down

[Outro]

Call my friends and tell them that I love them
And I'll miss them
But I'm not sorry
Call my friends and tell them that I love them
And I'll miss them
Sorry

Finn, having the weaker heart develops TTC, leaving Marshal and Ollie to reflect on the death of their family members.

TTC: *Stress cardiomyopathy; also referred to as the “broken heart syndrome,” is a condition in which intense emotional or physical stress can cause rapid and severe heart muscle weakness (cardiomyopathy).*

Ollie- nephrotic syndrome | often needs long term feeding tubes, 1 for loss of appetite and another for drainage of stomach fluid.

Alexis - AML (Acute Myeloid Leukaemia) | refusal to eat and past chemotherapy leads to a feeding tube.
