

## Brevard College Test Optional Essay Prompts

Select one of the following prompts to answer. If done outside of the application please be sure to include the number of the response and your name on the Word or Google Document when submitted to: [admissions@brevard.edu](mailto:admissions@brevard.edu)

1. Your decision to apply to Brevard College without using standardized test results as part of your profile demonstrates that you believe your test scores do not adequately represent your ability and/or potential. Please describe what is indicative of your potential and why you believe this is so. (500+ words)
2. Experiential learning is at the heart of a Brevard College education. It requires openness to new experiences, an ability to reflect deeply, and a willingness to adjust one's thinking in response to the experiential learning. Describe a significant learning experience and how it helped you to challenge a basic belief or viewpoint and opened your mind to new ways of thinking. (500+ words)

### Tips:

- **Make sure to have someone proof read it for grammar, spelling, run-on sentences, etc. Parents, English Teacher or someone you trust to give you good feedback**
- **Be sure to think about your response and write to the prompt and be true to yourself so we can get a picture of who you are and what type of student you will be here at Brevard College.**
- **Include personal experiences that reflect prompt.**
