

Artist Statement

I want, I need...to feel alive. The chaos. I seek it. I must have it. Whatever I want, I get. I am beautiful, of course. I am pretty yet so fake. I am ugly on the inside, I only appear beautiful from my outside grace. Society can make you crazy. I have turned crazy. The standards, one after another. I will take it all, all the beauty in the world, for I am a true goddess. I am cunning, powerful, beautiful, chaotic.
