

# ClickDrift Privacy Policy

**Last Updated:** August 2, 2026

This Privacy Policy describes how **ClickDrift** ("ClickDrift," "we," "us," or "our") handles information when you use the ClickDrift Chrome extension.

## 1. Our Purpose

ClickDrift is a browser extension designed to help users become more aware of distracting browsing behavior. It tracks relevant click activity and provides insights that help users recognize when they have drifted away from their intended task and get back on track.

## 2. Information We Collect

ClickDrift may process **user activity data**, specifically click activity, to provide its core functionality.

Depending on the extension's configuration and features, ClickDrift may process information related to browsing activity necessary to identify and measure browsing drift. This information is used solely to provide the extension's functionality and generate distraction or focus-related metrics.

ClickDrift does **not** intentionally collect:

- Names or other personally identifiable information
- Email addresses
- Passwords or authentication credentials
- Financial or payment information
- Health information
- Personal communications
- Precise location information

## 3. How We Use Information

Information processed by ClickDrift is used only to:

- Track and measure relevant browsing activity for the extension's core functionality
- Calculate or display click and distraction-related metrics
- Help users understand their browsing habits
- Provide the extension's features and functionality

- Save user preferences and extension settings

We do not use collected information for advertising, creditworthiness evaluation, lending decisions, or unrelated purposes.

## 4. Data Storage

ClickDrift uses Chrome's storage functionality to save extension settings, preferences, and relevant usage metrics.

Where data is stored locally within the user's browser, it remains on the user's device and is not transmitted to us.

## 5. Data Sharing

ClickDrift does **not sell, rent, or transfer user data to third parties**.

We do not share user data with third parties except where necessary to comply with applicable law, legal process, or a valid governmental request.

## 6. Remote Code

ClickDrift does not use or execute remote code. All JavaScript and other executable code required for the extension's functionality is included within the published extension package.

## 7. Data Security

We take reasonable measures to protect information processed by ClickDrift. However, no method of electronic storage or transmission can be guaranteed to be completely secure.

## 8. Children's Privacy

ClickDrift is not specifically directed toward children under the age of 13, and we do not knowingly collect personal information from children.

## 9. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes to ClickDrift or applicable legal requirements. Any updated version will be published at the same privacy policy URL, with the "Last Updated" date revised accordingly.

## 10. Contact

If you have questions about this Privacy Policy or ClickDrift's privacy practices, you can contact us at:
